With Summer on the horizon, now is a good time to get your AC and car looked over before taking that road trip or stay-cationing around town. Call or visit our website to make an appointment.

The Wentworth Automotive Way

Wentworth Automotive Core Value #2 Make Quality Personal. At Wentworth Automotive, we do not do good, we do great. Take pride in the quality of everything you touch and everything you do. From the way you perform an inspection to the final touches before delivering the vehicle to the customer, from the smallest service to the three-day engine job, always ask yourself, "Is this my best work?" Remember that absolutely everything "speaks" to our customers, and everything you touch has your signature. Customer vehicles are driving billboards that advertise our commitment to quality and how much we care.

Sadie's Corner

Since coming to us in September, Sadie has been adjusting well to her new life. Sadie has recently found the joy of attending daycare at Paw Commons several times a week where she delights in meeting new friends, both human and furry, and splashing in the pool. Sadie attended her first dog birthday party in March where she had a blast wearing her hat, frolicking with friends and eating dog safe birthday cake. Sadie loves meeting customers so next time you are in, she would love to say hi!!
