This Quarters Spotlight Charity is..

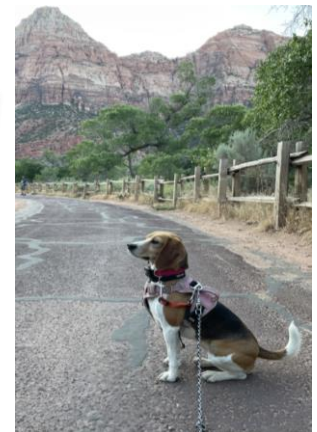

The Animal Pad is a non-profit, all breed dog rescue that focuses on saving dogs from high kill shelters and the streets of Mexico. The goal is to build, operate and maintain a no-kill animal sanctuary. This would be the model to expand into other cities, and help others who would like to create similar shelters. The Animal Pad is always looking for help! If you are interested in adopting, helping with fundraising, want to donate money or supplies or anything else that can assist TAP in helping these innocent souls, reach out today. email: info@theanimalpad.com

The Wentworth Automotive Way

Wentworth Automotive Core Value #3
Be Performance Driven. We appreciate effort, but we reward and celebrate results. Set challenging goals, and then go after them. Don't shy away from metrics or accountability. Numbers are the best tools we have in order to help us understand how we're doing and how we can improve our performance. Holding ourselves accountable for results reflects on our commitment to the mission.

With Summer on the horizon, now is a good time to get your AC and car looked over before taking that road trip or stay-cationing around town. Call or visit our website to make an appointment.

Sadie's Corner

Sadie had a very exciting summer!! Not only did she go on her first road trip, she visited 3 National Parks; Zion, Yellowstone and Grand Teton. Sadie celebrated her 2nd birthday on the road and she also learned to swim. 10/10 she said she would do it again. Sadie loves people, so when you are in the shop, ask to say hi to her!!
